Q11 What has your favourite BID initiative been during the last 6 months?

Respondent skipped this question

Q12 Do you have any suggestions on what projects you would like to see the BID introduce?

Anything that would help the areas on the edge of town such as St Thomas St by the bridge - too many empty shops look completely run down and full of rubbish. Too much antisocial behaviour such as drunks, public drinking and drug deals

Q13 Tell us the top 3 things that you think the BID could deliver that would help to increase your business performance?

- | | |
|---|--|
| 1 | Tidying up the town |
| 2 | Help with the control of antisocial behaviour |
| 3 | Better visitor information |
-

Q14 What would encourage you to engage more with Weymouth BID?

If there was anything they could do to help our business but our business does not really fit with what they offer and things like the free hanging baskets don't work for us as there is no way of attaching them to our business

Q15 Have you considered becoming a BID Board Director?

Yes,

If no, what is the reason?:

Like the majority of people I don't have the time to spare - I am currently working 6 days a week. I do try and help in anyway I can and have participated in the both the Halloween and Christmas promotions which unfortunately did not increase our trade

Q16 Any other comments?

It would be helpful if the genuine complaints were listened to and dealt with. I know there is a lot of negativity out there but I have mentioned the empty shops being full of litter on numerous occasions and nothing is happened. Surely the bid could contact the appropriate people. The Retina is a fire hazard
